Summer Term 2024

'Children at Oasis are learners for life'

Dear families,

Staffing

We would like to take this opportunity to welcome Paula Yates to the Oasis team. Paula is currently working towards a Level 3 Apprenticeship in Early Years. Paula is working in the toddler room, and we wish her all the best with her studies!

We would also like to take this opportunity to congratulate Hannah Capstick and her family on the birth of their little boy.

We would also like to take this opportunity to congratulate Hannah Stafford and her family on the birth of their little girl.

Eco Friendly Oasis

We are continuing to work towards an Eco-Friendly Oasis and doing our bit to protect the earth.

Waste and Recycling - Oasis children continue to take up the challenge of recycling paper, card, plastic, and reusable materials. This helps us to reduce 50% of the waste we produce each week!

We save our leftover fruit from snack and vegetables from lunch to feed our rabbit Oreo.

This term the Pre-school children have also been learning our Eco Code (rap song): -

Oasis Eco Code

Eco Friendly Oasis,
We recycle on a regular basis.
Save energy, turn off lights,
Find more tips on our website.

Put litter in the bin,
Save water it's a win.
Plant herbs, feed the birds,
Your actions speak louder than words!

- Henry Rescorla - Always using his manners, saying please and thank you.

The children will be given endless opportunities to participate in real-life experiences such as campfire cooking, creating hobbit houses, little gnome homes and fairy grottos. They will also encounter wildlife, such as exploring bugs, insects, tadpoles, and their habitats, which will provide inspirational learning opportunities for all involved!
